

Horse Stable Lights

These lights we found in an old horse stable where hundreds of horses were kept over the last decades. Most lights still have the polished junction box, some come without it. They come with a nice glass dome and are suitable for E27 bulbs.

Length: 11 cm
Height: 40 cm
Width: 17 cm

Color: white/silver
Weight: 1.6 kg

Quantity Remaining: 7

Unit price: 320 EUR exl. VAT
